## THE INDONESIAN PTC BEST PRACTICES AWARDS

### 1. Objectives

The Global Best Practice Award Program stimulates the implementation of best practice measures, service aspects, marketing and quality of the professional textile care industry and will demonstrate its capabilities. It will provide a benchmark and platform for the new state of the art in modern professional textile care. The awards will be presented to the most sustainable and service oriented professional textile cleaning companies and industrial laundry/textile services companies with reference to standards in their own home country. The award emphasizes the focus of our industry towards new business models & services to end-users & clients, as well as for the environment and its people.

To encourage the distribution of these Best Practices in the whole Indonesian industry, ASLI & CINET are jointly inviting the professionals of textile care to participate at the Indonesian Best Practices Awards 2018.

### 2. Why should you apply?

- Benchmark your business with others worldwide
- Generate new ideas for success!
- Positively profile your business to (potential) customers
- Win and be invited at the Global Awards at Expo Detergo (Milan) in October, 19th 2018, a starting point for positively profiling the industry and stimulating innovation (travel and subsistence costs are arranged by CINET in advance)

### 3. The 3 Trophies:

3 topics have been selected for the contest:

- Overall Best Practices Award
- Innovation Award
- Sustainability Award

When submitting your application, you registrate under one category and you apply for all the 3 trophies. That is why we ask you to fill in the entire application form.

## 6. Criteria

The nominees are evaluated by an independent Jury and rewarded upon the following criteria:

1. **Quality.** Skills and knowledge are important to maintain professional textile care quality. A continuous quality that meets customers' expectations is of the utmost importance. Training & education and labour policy are the basic of quality. Certification, if available, can enhance the quality approval of a professional textile care company.
2. **Sustainability.** Implementation of best practices is the key for safe & sustainable processing in cleaning operations. Using state of the art equipment, modern cleaning concepts, optimal working methodologies, and integrated ICT processing enhances safe and sustainable professional textile care.
3. **Business model & service concept.** Meeting customers' demands and expectations in a rapid changing market environment. A clear business model for modern professional textile care is required to excel. The right services, contributing to the ease and convenience of end users/customers and fitting to the business model of the company. Modern business practices, Management & Marketing strengthen the performance of the company in a competitive environment
4. **Innovation.** End users markets and enabling technologies are changing and require innovations in services, implementation of new technologies, creative entrepreneurial efforts to cope with new (online) customer' demands, legislation, and environmental requirements. Underline the innovations implemented by the PTC company to meet today's and tomorrow's demands
5. **Key-note.** Own explanation and substantiation why the company should win the award.

## 7. Evaluation

A pre-selection of all applications will be performed by CINET upon the above mentioned criteria. The applicants that pass the criteria will become Registrations. They will be evaluated by the Indonesian Best Practices Awards Jury to decide whether these will become officially Nominees. The Nominees' profiles will be published in the Indonesian National Best Practice Awards brochure. The Registrations will be evaluated upon the set criteria by the Jury checking the delivered materials; text, photos, documentation and other testimonials. The official nominees' representatives will be invited to deliver a pitch presentation of max 3 minutes in front of the Indonesian Best Practices Awards Jury at pre-selection evaluation.
