Handling the award to Martin Kannegiesser

### The Lifetime Award for Mr. Martin Kannegiesser

The International Preselection Jury of the CINET Global Best Practices Awards decided that the Lifetime Award 2018 was given to Mr. Martin Kannegiesser of Herbert Kannegiesser GmbH Germany. Mr. Martin Kannegiesser received this Award during the Global Best Practices Awards Ceremony on October 19th at Centro Congressi, Fiera Milano, Italy.

for support. Martin Kannegiessers vision is reality today, and he achieved that in listening to customer requirements worldwide, and using the expertise of his employees from six production plants."

Kannegiesser group/family/friends/partners

Already at young age Martin Kannegiesser became owner of Herbert Kannegiesser GmbH and managed to develop and follow internationalisation over decades, continuously focusing on complete System-solutions and new international partnerships. Kannegiesser has been also an important industry politician. Among other functions he had been President of Gesamtmetall, and one of the leading architects of the stable labour climate in Germany.

Mr. Martin Kannegiesser gives his speech

During the Awards Ceremony, Mr. Geert Böttger, the President of the GBPAP18 International Jury, has presented an heart-warming laudatio for Mr. Martin Kannegiesser, under the motto: Visionary Leader, Bridgebuilder and Achiever. Mr. Bottger underlined the fact that "Kannegiesser is a synonym for integrated laundry solutions worldwide. If somewhere in the world plans come up to build a large new laundry, Kannegiesser is one of the very few companies, which will be contacted

In his speech after receiving the Lifetime Award, Mr. Martin Kannegiesser declared: "Entrepreneurs should always be, to some extent, involved in societies and contribute to activities which help people to move forward. We will see more partnerships in the future because the business will be more interlinked between customers and suppliers and vice versa."

During the Lifetime Award moment Mr. Kannegiesser received an ovation from the audience. Family members, colleagues and partners of Mr. Kannegiesser attended the outstanding moment during the GBPAP Awards Ceremony.

This is the second CINET Lifetime Award until now. The 1st CINET/WRP Lifetime Award was given to Prof. Dr. J. Kurz of the Hohenstein Institute at the occasion of the Global Best Practices Award Ceremony at Texcare International in 2016.

## The evaluation results from GBPAP18 International Jury

This award is presented to the entrepreneurial companies in TC/TS, because of their advanced business models and services to consumers with extraordinary marketing materials and their ability to develop new markets and business areas.

The International GBPAP Jury based the evaluation of the finalist companies upon the following criteria:

- Quality; Skills and knowledge are important to maintain professional textile care quality. A continuous quality that meets customers' expectations is of the utmost importance. Training & education and labour policy are the basic of quality. Certification, if available,

can enhance the quality approval of a professional textile care company.

- Sustainability; Implementation of best practices is the key for safe & sustainable processing. Using modern equipment, operation, optimal working methodologies enhance safe and sustainable professional textile cleaning and/or laundering.
- Business model & Service concept; Meeting customers' demands of specific markets requires a clear business model for textile cleaning & textile service companies to offer the best value proposition. The right services, contributing to the ease and convenience of customers /

end-users and fitting into the chosen business model is therefore important. Marketing is required to communicate the key message of textile cleaning / textile services.

- Innovation; The world is changing and so is the market demand, therefore innovations are important to cope with changing customer demands on quality and services, legislation and environmental requirements. What are the innovations of the textile cleaning / textile service company?
- Key-note; Own presentations, explanation, visualization and substantiating why the company should win the award.
